

**The Adventures of Chatterer the Red Squirrel**  
**Thornton W. BURGESS (1874 - 1965)**

Chatterer the Red Squirrel finds himself in trouble again and is forced to abandon his old home. As the search for a new home begins, Chatterer's curiosity gets the better of him and a moment of carelessness causes him to stumble into a far different home than he ever imagined. This book is Thornton W. Burgess at his best as he captures the personalities and behaviors of the animals in the Green Forest delightfully well and tells a story of mischievousness and unexpected friendship. - Summary by Jill Engle
